

Special visit by author & illustrator

David Hoobler

Author and illustrator David Hoobler is coming to our school for an assembly program. His program will include the reading of his books, *Zonk, the dreaming tortoise* and *Zonk & the Secret Lagoon* and a drawing demonstration.

Zonk, the dreaming tortoise is the humorous and inspiring story of a desert tortoise that decides he wants to be a sea turtle.

In *the Secret Lagoon*, Zonk explores the Sea of Cortez, meets new friends and has new adventures.

The books are beautifully illustrated and "Parents Press" of Berkeley, CA calls *Zonk, the dreaming tortoise*, "an encouraging tale for younger children and their dreams.. with rich visuals."
